Attached is a draft response to Mr. Ryan's letter to the Regional Administrator regarding the San Jacinto site. Gary has made comments on the draft, as did Mark based on a quick review. Gary and I weren't sure if the RA was going to meet with Harris County about the Site, or only Carl (it's written for just Carl). Harris County made additional comments at the CAC meeting after the letter was sent (expressing a preference for EPA taking over the work from the PRPs); this draft only addresses what was in the letter. Thanks.
